# SNAPCHAT MODEL PRESENTATION

THERE ARE ONLY 2 WAYS TO PRESENT EW MODELS:

## 1. SLUTTY -

used to describe a woman who acts like a whore. An offensive adjective <- usually -> referring to a female, hopefully at least 15 and it doesn't matter after 29, who is not only brazenly promiscuous, but also indiscriminately so. However, nowadays, slutty can refer to any young woman "sowing her wild oats" or maybe that should be "having her wild oats sowed?"

## 2. CLASSY -

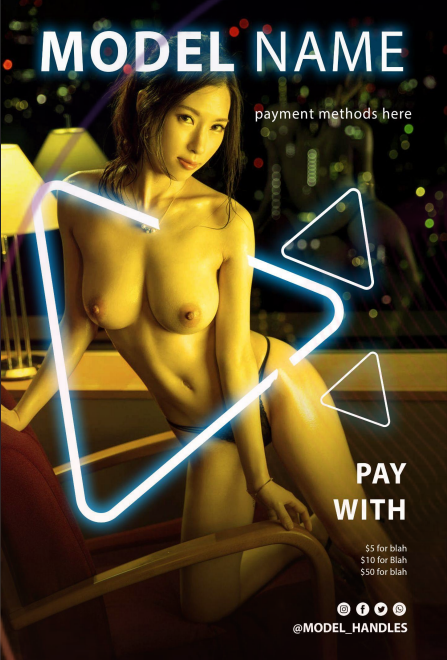

Being a classy woman has nothing to do with your social class and everything to do with how you carry yourself and behave in public. A classy woman is **someone who is always impeccably well-groomed and walks with her head held high.**
